House Contact Sheet

It is important for Oxford Houses to maintain their maximum occupancy rate, by having accurate contact info on the ohola.org site and responding to communication from applicants. This ensures that:

1. Every person seeking this type of housing will find help.
2. Houses will always have enough members to be financially self-supporting.

Oxford House Tradition #1 states: "Oxford House has as its primary goal the provision of housing and rehabilitative support for the alcoholic who wants to stop drinking or using and stay stopped."

It is the responsibility of the local Chapter to ensure that each house is following the Charter Conditions and Traditions, to ensure quality control of the Oxford House name.
